

MORE TESTIMONIALS...

"I wanted to thank you, and the Sports Quest trainers, for the effort put forth on behalf of our team. My daughter plays for a U.12 team new to the Sports Quest organization. The improvements they made this year were remarkable - but not only in their soccer skills but, more importantly, in their self esteem. Many of our girls have played together for a long time so their improved skills were very evident to us parents, but also they have such a better attitude toward each other and themselves, which began to show as well. We went from only winning a few games in the Spring season to being undefeated in the Fall; quite a moral booster for the girls and, of course, much more fun to watch for the parents! We all know that it was a combined effort of your trainers and our coaches that really brought the girls together and met the objectives of the parents - to be better players but to have fun and to grow as a team. Every girl on the team improved and I hope they all had as much fun playing the games as we did watching them.

Thank you for taking time to be with them this weekend; your kind words at the end of the game went a long way and no truer words are spoken; grace in defeat exemplifies strength in character..."

Soccer Parent - Team Training Program

"I just wanted to pass along to you some information about the Renegades. As you know, my son and three of his friends, all participated in the Tactics & Skills Training Program this fall. Their team won the Cy-Fair/Bear Creek tournament and this past weekend they played in the TYSA tournament. It has become very apparent to the other parents that these boys are improving at light speed. My son is a defender and he has become a key member of the team. We are trying to get our entire team to participate in the tactics and skills training for the spring session.

The ref from our tournament approached me after the second game...He told me that my son will play for the Americans someday. He said he had been watching him and he could tell which kids would "make it" and that my son was definitely one of them. He could see him thinking on the field. I know this is directly related to the training he gets from y'all and I just wanted you to know what a difference it is making and how proud we are of him. Thanks! We will see you in the spring!"

My almost 8-year-old daughter attended the morning soccer camp at St. Vincent de Paul Church last week. She and her five friends loved every minute of your camp, despite the heat and humidity! Sarah could not wait to wake up each day and get to the camp! She had fun, learned many soccer skills, sportsmanship and was reminded that God is also on the soccer field. The staff was professional and kind and it all seemed so organized. We will most definitely sign up again next year. Thanks for this wonderful and fairly-priced program! Stephanie Berno

Thank you again for another first class sports camp that highlights skills of the game, but more so glorifies Jesus Christ in the process. It is our privilege to have our children participate in your organization. This year having all 4 in was great too! Lori Hodo, St. Francis

God bless you and your sports ministry. If you are ever looking for further opportunity to make these kinds of connections, and we at St. John can help, please let us know. I really appreciate the outline of your devotional thoughts; they are right on! To God be the glory, praise and worship. He loves us so much! Abundant Blessings! David Bahn, Senior Pastor, St. John Lutheran Church, Cypress, Texas, www.stjohn-lutheran.net

I am sorry that Alex was unable to attend camp on Friday. He had a great week and really enjoyed himself. Thank you for all the hard work.
Sincerely, Mrs. Dunderdale

Robert enjoyed another wonderful week of Sports Quest soccer! His dad and I are so pleased that your group has this inspirational experience for children. They can work on their soccer skills and develop their faith at the same time! Thank you for all that you do for our children. Anne Rae

I know that you do a great job with Addison (and all the other kids) because when I come home from work the first question is "Dad, can we kick the ball together?" That says it all. Oliver Luck, Houston Dynamo

My son Harrison (6) loved the AM camp last week at Second Baptist. Thank you so very much! Jennifer Fernelius

Greg and I were so impressed with your soccer program. We have never seen our son, Sam so excited about anything! He loved it! We think he learned a lot and I felt very comfortable leaving him there. We are looking forward to the next camp. Thank you for everything. Leslie, Greg, and Sam Sanders

My daughter and son signed up for your Summer camp in Fairfield and they loved it. You guys have a wonderful program. Thank you. Jan Hanes

We just finished your soccer camp in Fairfield, and I wanted to let you know that my son had a blast! I expected him to get revved up for the soccer season and brush up on his skills. I did not expect him to learn that an aggressive competitor can also be self-controlled and humble! What awesome living examples you have in your staff! My six-year-old son said they were also entertaining (his word "funny"). I never had to coax him into getting ready - looking forward to next year! K. Hughes

My daughter attended the camp if Fairfield this week. We are very impressed with the program. Thanks. Monique

I wish to compliment the Sports Quest team who ran the camp at Bear Creek last week. Great organization, positive instruction & great character building. Toby had a wonderful time as did two of his friends from his soccer team that I recommended to sign up. Thanks. Mary

The camp was a blast. I thank you and all your trainers for a job well done! Agustin Colchado
My daughter was given the privilege to attend your soccer camp and play soccer for the first time in her life. She LOVES it now! Thank you for giving her (and my other children) such a wonderful experience! Michelle

Its Sunday I am and I'm at the airport putting Kristi on the plane to CA for her two weeks at JH Ranch. She is growing up before our eyes and we are so grateful she has people like you, Matt, Kevin and the SQ team in her life as friends and role models. It was clear to me that spending time with you and your team is a truly significant part of this busy summer and we appreciate your open armed flexible welcoming approach to her involvement.

See you soon!

Mike Handel

Hi Sports Quest,

I would love to sign up Vanesa to help out with your soccer camps this summer. Please let me know if you know of any openings where she can volunteer and help with the soccer summer camps. We are very grateful for the many benefits that she has received throughout her summer soccer camps and would like to give back to the program by helping as a volunteer.

We are truly BLESSED to have Sports Quest and the wonderful TEAM you all are.

Please let me know.

Thank you,

Janeth Sierra

Evan had a wonderful time! Thank you for allowing him to be a part of your ministry. I am so appreciative Evan has the opportunity to be among wonderful male spiritual leaders. What a blessing your organization has been to my family over the years.

In Him,
Paula Purcell

Claire and Jack had a great and time and learned a few things along the way. We think you do a wonderful job with the kids not only with soccer training but spiritual training as well. Thanks again for your dedication.

Melissa and John Dramberger

Thank you for sending the update via e-mail. I look forward to going over the devotional themes and Scriptures with the boys every day. I was sorry not to see you guys last night, but it is good you can take a break. Matt did a wonderful job with the end of camp talk. It was very inspiring!

Thank you,
Arlene Schneider

Thus far (Tuesday pm), this has been a tremendous experience for our children (Madeline & Michael Fordham, attending at St. Vincent's.) There is a lot of take-home Christian value, positive association with the teenager/young adult teachers and a great, positive focus on being a team player.

Many thanks,
Elizabeth Fordham

Charley and Patrick really enjoyed Sports Quest Soccer Camp. This was their fourth year and it keeps getting better! Thank you for all your hard work on those hot summer days. The boys loved it! Kelly Mooz

Thanks for this daily report. We are very impressed with all that you're doing with our children and really appreciate your good work.

Thanks again for working so well with our children.
Virginia Tomlinson

As always, it has been a stellar week for our kids. They love it - 3 for 3 awards and much soccer education received. Our 5 year old is in heaven. We are so proud of your organization and your work as witnesses for Christ through athletics.

Lori Hodo

Tres had a wonderful time. He always enjoys attending your camps and looks forward to them every year. Your camps are so well run and the children truly enjoy themselves---and I love that they learn more than just soccer when they are at a Sports Quest camp. The devotional time and the trainers sharing their testimonies really hits home with the kids.

I love the photo of him working with his ball...it's a wonderful shot!

Take care,
Anice Duytschaever

Thank you for sharing the photos! I wish I would have had more time to observe the camp, however this June has been extremely busy for me. I do know that all of the students who attend your camps have a fabulous experience that will last a lifetime. Thanks to you and your staff for making such a tremendously positive impact in the lives of so many youth! Your camp is #1 in my book!! Bravo!!!

We look forward to having Sports Quest back again next year!

Sincerely, Don Hicks

Director - Physical Education and Athletics, St. Francis Episcopal Day School

Thank you for affording them the opportunity to make up the days!! They enjoy it so much! Sports Quest is one of the highlights of our summer!

See you at the soccer field!

Jennie Weed

What an awesome ministry you have going! We've attended in the past as well, and they have always been a blessing.

Sincerely,

Leah Tzimourakas

Thank you for a wonderful, rewarding and educational Christian experience for my kids.

A quick note to say how much Ravi enjoyed the soccer camp last week and also how much his soccer skills improved through the week. In addition to Bear Creek, Ravi plays indoor soccer in the summer and he was definitely applying his newly acquired skills last Saturday.

Either by design or circumstance, the groups were smaller than previous years which I think gave the coaches more time to focus on individuals. Ravi enjoyed the opportunity to play with older players all week and this was great in building his skills and self confidence.

As usual, the coaches were superb and the daily lessons very relevant.

Thanks.

I have said it before and it is worth repeating again... AWESOME CAMP! My son, Benjamin, loves the camp and walks away each day with his head held a little higher. He's getting so much more than fantastic soccer instruction! It is wonderful for him to see young men and women (the coaches) who love our Lord... it is especially wonderful for him to have good/positive role models in the young men who are coaching!

Thanks for another wonderful year. I look forward to at least 9 more years with Sports Quest (my youngest is only 2)!!

-Sarah Eickenhorst

Y'all did a great job again this year and please again thank all your instructors, the kids loved them! My son enjoyed the camp and could not stop talking about it! Thank you for your ministry heart and your effectiveness in using soccer to win souls for Christ! I look forward to future summers working with you.

Serving Christ with You!

Derek Tackett, Hyde Park Baptist Church

Once again, it was a true blessing having Sports Quest on our campus this summer. I apologize for the fact that you didn't have more space to use on those days that it rained. I hope that our church does a better job next summer of preparing things in advance to allow you to use the gyms on those days that you aren't able to be outside. This year it was my fault that you didn't have that space. I am sorry to have dropped the ball. Your trainers did an amazing job of adjusting and it seemed that everything went off without a hitch despite the set back. You have put an incredible group of people together.

My favorite part of your camp is always the decision time on Friday. I believe that there were 19 kids that made decisions for Christ yesterday. What an amazing gift from God, allowing us to see Him call these young ones into His family. I am grateful for your faithfulness in working to be a part of that, and I pray the Lord would continue to bless your ministry in the future.

Jim Miller, Second Baptist Church

My daughter absolutely adores attending the Sports Quest Events. Her and I have discussed her hosting a soccer birthday party and were wondering if we could hire Sports Quests put on a 2-3 hour soccer camp. Her birthday is in the middle of September and we would anticipate 20-30 campers. We are interested in hearing from you if this is something you like to do.

James Woolley

Once again I thank you for allowing Madeleine the Sports Quest experience. It was especially nice for Susan (Lewis) and I to see your beautiful children in action at Second Baptist. And.....for me, it was very meaningful to visit with Debbie over the phone and 'catch-up'. (remembering my kids as "the two blondies" was pretty sentimental, Debbie!!)

Thanks.....Michelle Webb

The Sports Quest Soccer Camp was outstanding. The staff really cared about the campers, and both the teaching and messages were excellent. The instruction was very age-appropriate for each group, and my son had a great time! We look forward to attending again next year.

All the best,
Craig Nome

Thanks so much for doing our soccer camp here. I have heard nothing but good things about the program.

Scott Ayres

Director of Recreation Ministries

Chapelwood United Methodist Church

I have had 6 emails regarding the soccer clinic and all of them have had great things to say. Thanks for putting on such a great clinic and hope to have you here next year. I was impressed with the instructors, and especially impressed to receive emails so soon after the clinic was over. Great job.

Brian Roberts

I just had to let you all know again, how much I and WE (Fairfield Sports) really appreciate what you did for our program! What an AWESOME experience! Parents have not stopped letting me know how much they loved it and how much the kids enjoyed the give aways, training and "talks". My son today told me that there was a story about Bikes, Bullies, and Bulldogs IN the bible because "Coach Clayton said so."

I am ready to help Sports Quest in anyway I can! Thank you in advance for the help on the coaches clinic. If we can sit down in the next week or two and discuss how we can make September 9th the best day EVER in Fairfield, that would be great.

Also, please consider my involvement in your program. Like you two, I am very much a visionary and want to see how our common dreams and aspirations can be best served for HIM.

Thank you again and I am recruiting Prayer Warriors to pray for you as you continue to GOD's work utilizing this beautiful game.

In HIM,

Ricco Thurwalker
