PHILOSOPHY

Sports Quest Summer Camps provide a fun filled and educational soccer experience for children aged 5 to 12 years.

Each camp offers a unique opportunity for players to develop their technical and tactical soccer skills and at the same time, addresses key issues relating to each child's spiritual and character development.

The camp curriculum is carefully constructed to meet the needs of today's young people both on, and off the soccer field.

Summer Camps specifically designed for full teams are also offered at Westside Soccer Club for players at the U11 through U19 level. Once again an Advanced Camp for competitive female players will be held at St. Agnes Academy (U14-U19). This camp has proven to be a huge success over the past 2 years.

Sports Quest is a non-profit 501 (c) (3), professional soccer training organization dedicated to promoting and developing the game of soccer at all levels in a Christian environment.
