# PHILOSOPHY

Sports Quest Summer Camps provide a fun filled and educational soccer experience for children aged 5 to 12 years.

Each camp offers a unique opportunity for players to develop their technical and tactical soccer skills and at the same time, addresses key issues relating to each child's spiritual and character development.

The camp curriculum is carefully constructed to meet the needs of today's young people both on, and off the soccer field.

Summer camps specifically designed for full teams are also offered for players at the U11 through U19 level. Elite camps are now being offered for U11-U19's. These camps are designed for the competitive player only and will be held at Bear Creek Park (Field # 20).

Sports Quest is a non-profit 501 (c) (3), professional soccer training organization dedicated to promoting and developing the game of soccer at all levels in a Christian environment.
